Media Information Regarding Thursday, March 13, 2008 Services for Fallen Salisbury Firefighters

Salisbury, NC_March 11, 2008 – The City of Salisbury and the Salisbury Fire Department wish to inform the media of the protocol which will be followed on Thursday, March 13, 2008 with regards to the services planned for the two fallen Salisbury firefighters.

A pool camera will be utilized for the 2 pm joint memorial service at Omwake-Dearborn Chapel, Catawba College Campus, 2300 West Innes Street. WBTV Reporter David Whisenant will be the only source of “feed video” for this service.

Media are requested to park within a designated area located between the Omwake-Dearborn Chapel and Keppel Auditorium. Media will be directed to this area by Salisbury Police Officers on-site for the service. All immediate parking is reserved for the families, firefighters and firefighter apparatus. Media parking will not be allowed at the Chapel.

Families have requested that media do not attend the graveside service and the burial of firefighter Justin Monroe. We anticipate and greatly appreciate your continued respect for the wishes of our families and all involved.

For more information regarding the pool camera, please contact Reporter David Whisenant at dwhisenant@wbtv.com or at 980-721-7026.
